PROFESSIONAL EXPERIENCE

Graduate Assistant | SUNY Oswego

Jan 2025 - May 2026 | Oswego, NY

- Administered and graded coursework of students under professor oversight.
- Advised multiple student teams throughout all phases of project development to ensure successful execution.
- Created training handbooks to on-board new students as lab technicians.

Group Leader | Auxiliary Services at SUNY Oswego

Sep 2023 - Dec 2024 | Oswego, NY

- Fostered a welcoming environment for staff to openly communicate.
- Led and supported student employees to ensure accurate understanding of assigned tasks.
- Ensured that dining hall operations are conducted to established standards.

Undergraduate Lab Technician | SUNY Oswego

Sep 2023 - Dec 2024 | Oswego, NY

- Aided students with 3D printing their models in the appropriate material in a timely manner.
- Facilitated the professional printing suite of Xerox and Epson printers with quality control.
- Trained colleagues and students on the proper printer usage and maintenance.

Undergraduate Teaching Assistant | SUNY Oswego

Jan 2023 - May 2023 | Oswego, NY

- Assisted professor with teaching proper Processing Java language syntax, creating demonstrations for guidance, and one-on-one discussions for adapting the class to the students' needs.
- Provided technical and accessible assistance to students in class and during office hours in a consistent manner.
- Supervised classroom equipment use by students, facilitating access and experimentation for assignments.

VOLUNTEER EXPERIENCE

President | Human Computer Interaction Organization (HCIO) at SUNY Oswego

Jan 2026 - May 2026 | Oswego, NY

- Reinvigorated the organization with workshops presented by guest alumni.
- Reintroduced bi-weekly newsletter to inform organization members of events.
- Led HCIO sponsored university campus events, such as a Maker Faire and a Hackathon.

Vice-President | HCIO at SUNY Oswego

Aug 2025 - Dec 2025 | Oswego, NY

- Assisted new executive board members and provided a welcoming environment.
- Mentored incoming Social Media Manager on methods for member outreach.
- Editorialized presentations to ensure quality and professionalism.

Social Media Manager | HCIO at SUNY Oswego

Aug 2024 - May 2025 | Oswego, NY

- Conceptualized new campaigns for engagement.
- Ideated new events for the organization such as workshops, networking events, and meet-ups.
- Wrote and designed content for a majority of email outreach and social media messaging.

Communications Director | LakerHacks Hackathon at SUNY Oswego

Jan 2025 - Apr 2025 | Oswego, NY

- Produced promotional social media content adhering to the established design system.
- Created flyers and digital advertisements that were distributed across the university campus.
- Developed opening and closing briefings, including last minute changes prior to presentation.

Creative Director | The Oswegonian Student Newspaper at SUNY Oswego

Apr 2022 - Sep 2023 | Oswego, NY

- Worked with clients to develop effective advertisements that suited their specific needs.
- Maintained active communication with team members to receive new graphics requests.
- Adapted to specific graphics requirements, whether on newsprint or social media posts.

PROJECTS

Productivity Software, LakerLogs

Jan 2026 - May 2026

LakerLogs is a Web-based weekly work log system that standardizes how students document and submit their weekly progress, and gives instructors a clear, organized way to review those submissions. Established requirements, conducted Usability Testing, and formalized the final presentation to stakeholders.

Usability Assessment of the Web Portal serving SUNY Oswego Students

Aug 2025 - Apr 2026

Led a study to assess the usability of a new interface against the existing "MyOswego" university Web portal. Research found that while student sentiment was significantly positive for the new interface, further usability research would be required to prove quantitative improvement.

HONORS & AWARDS

- The "Outstanding Graduate Student" Award
- The Dr. Aulus W. Saunders Service Award
- The Gary Klatsky Memorial Scholarship
- The Jessie E. and Jay D. Rudolph Scholarship
